The bloody list of qualifications: Checking it, was the most terrifying trance in the life of some EOI's students in the past; they could even go into trance and levitate.

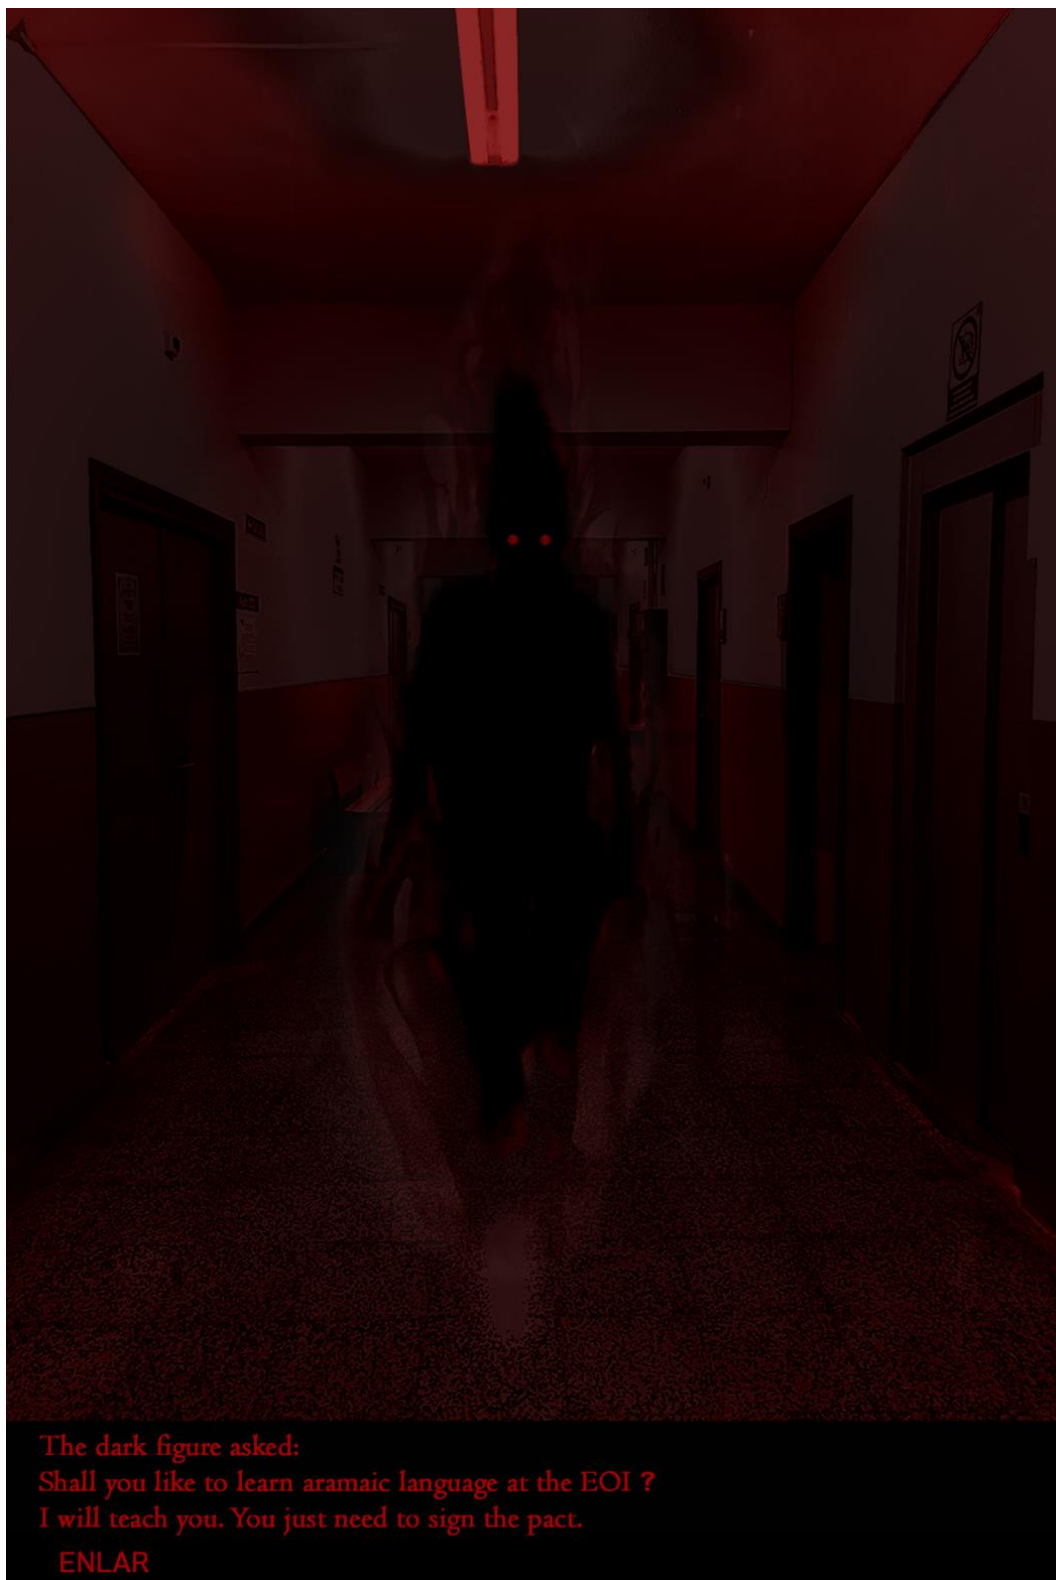

### 3. "IMEZ", Ibai B1

In the EOI building, students reported strange phenomena. Whispering voices, moving shadows and flickering lights. One brave student decided to investigate. When he went inside, he never came back. Since then, screams and wails are heard in multiple languages. The building remains as a reminder of what happened inside.

E O I LA

*The keeper of hell guards the book corner. The book that goes must be returned; otherwise it will become your worst nightmare.*

6. "RCOT", Ruben\_B2.1

The scream was lost into the darkness.  
A darkness in which not even the dead  
dared enter.

7. "Frank", Fernando\_C2+

WHEN THE FULL MOON rises, THE school's souls  
welcome the NEW students.
